Subd (1) A sum of Rs 5000/- to be advanced as loan has been sought for by Sri Haridal Singh, a refugee Contractor at Lakkavalli - through the D.C. Chickamagalur and the Comm. of Refugees, Bangalore, ~~the letter~~ and the latter officials have recommended the grant of loan after considering the bonafides of the applicant based on the Police reports of the D.S.P and the P.I. of the locale area.

(2) In connection with affording "facilities" to the displaced persons - Govt of India have decided that the maximum limit up to which loans may be granted should be Rs 3,000/- to displaced persons Consulting Engineers and Architects subject to the condition that they should finally decide/to settle down in one or the other of State and who could be fitted into the Economy of the area specified by them; and also the terms of recovery of the loan amount, ~~as~~

⊗ This is one of the subjects for discussion at the Refugee conference on 19/7/48

(3) The Commissioner of Refugees has made a ~~note~~ recommendation without suggesting the source from which the amount has to be advanced either from the ~~Govt~~ Central Govt. or from the Mysore State Central Refugee Relief Fund.

(4) In the meanwhile it is for consideration, if the Chief Engineer may be ~~requested~~ requested to suggest if there are any ways of releasing certain materials and making helping his Contractor by, Very short-term payment for work done by him which would meet the purpose and avoid the grant of loan.

a loan of Rs 5000/- is only a Contractor. It is therefore doubtful whether such a large loan to him would be admissible. Moreover the source from which the loan should be paid has not been indicated by the Comr. If approved, a further report may be called for from the Commissioner.

(7) The concessions that could be ~~so~~ shown to Refugee Contractors have been set forth in G.O. dated 28.5.48 placed below and the same may be perused. From the file of records received from the Comr. of Refugees, it may be seen that the Refugee Contractor has been given a free site in the Lakkavalli area for constructing a house and a free site for constructing a shop. It has also been stated that he has executed works of the value of Rs 6000/- and he has been paid by the Project so far only Rs 2500. If this is true, a little more prompt payment of the Bills of the Refugee by the local PWD Officers or payment of suitable advance pending scrutiny and payment of the final Bills may be enough to give the desired relief to the Refugee. If approved, the Comr. of Refugees may be asked to suitably address the ~~PWD~~ Chief Engineer in the matter. A copy of the letter to the Comr. may also be sent to the Chief Engineer for necessary action to treat the Refugee [with special consideration] liberally.

Statement of Sri L. H. Thimma Bovi
Member of the Mysore Constituent
Assembly member Lakkavalli.

I know Sri Haridayal Singh
Contractor Lakkavalli since January
1948. He came to Lakkavalli in the
month of January 1948 and has settled
himself here. He has taken up
piece-meal Contract as there is
no tender Contract System in this
place. Taking into consideration
the circumstances under which
he had to emigrate from his
native place in N.W.F. province
he has been given a free sight
for construction of a house in
Lakkavalli by the village pan-
chayat. So far he has executed
piece-meal Contract to the extent
of Rs 6000/- and he has been paid
by the project Rs 2500/-. He has
also been given a free sight by
the government on the other side
of the Bhadra river to construct
a shop and to run it. As he
has no sufficient funds to con-
tinue with the Contract it is de-
sirable that sufficient financial
aid be given to him by the government

Ref: 4946 APR. 1336 dated 10-9-1948.

Dear Sir,

With reference to your above letter, acknowledging receipt of my loan application, asking me to wait for your action, I wish to point out that months and years have been rolled down, still my humble request is not yet considered either by the Government of India or by the Provincial Government of Mysore in granting me the loan to settle my future.

In anticipation of the sanction of the loan, by the Government, I have obtained loans from the local people and invested on business and made contracts with Government Public Works Department at Lakhnvally in connection with the construction of the Irrigation works. All the capital thus invested upto Rs 8,000/- has been locked up under advances to the coolies, and on the materials collected and for sheds for the coolies erected for their living and on the works done in the Project. Against the work done and completed in the Project, full payment is not yet made all though one year is passed. All the members from whom I have taken loan are pressing me to repay at once. The loan applied for by me with the Government of Mysore as directed by Government of India Rehabilitation and development Board (Loans section) vide No. H.D.B./L/7/48 dated 11th May, 1948 is also not yet considered by this Government in spite of my several representations.

Such being the case, my position is miserable and words cannot express my difficulty in facing the local people who have helped me in such a critical time. Adding to this my existing business is also done to an end due to the fact, not being helped by the Government with finance to continue the work.

P.T.O.

- 2 -

Kindly treat this as urgent and bestow on me with the loan as applied for or advise the Government of Mysore to help me with a loan of Rs 5,000/- as an immediate measure of relief in the matter. If the loan is not sanctioned at the nearest future, kindly advise at least to settle in full all the claims pending in Government of Mysore for the works done at Lakkavally Reservoir Works against excavation of Dam 1st saddle, the cost of huts erected for the occupation of coolies i.e., nearly 250 sheds and advance outstanding on the coolies and cost of materials etc., so as to enable me to leave the state after settlement of elsewhere.
